This request is made under the Texas Public Information Act, Chapter 552, Texas Government Code, which guarantees the public's access to information in the custody of governmental agencies. I respectfully request the following information:

Information detailing all UTIMCO investments in private equity partnerships and hedge funds in all UTIMCO funds (including the Permanent University Fund (PUF), the General Endowment Fund (GEF), and the Intermediate Term Fund (ITF)). That information should include the name of the partnership and the year it originated, the name of the managing partners, the amount of money committed and when it was committed, the amount of capital returned to UTIMCO, the yearly performance of the investment, and the lifetime performance of the investment.

Disclosure of this information is in the public interest because it deals with state funds. Therefore, I request a waiver of all fees and expenses pursuant to section 552.267 of the act. In an effort to circumvent printing costs, digital copies of these schedules are perfectly acceptable.

If there are any questions, I can be reached at my office phone, 512-232-2212, or by e-mail at editor@dailytexanonline.com. Thanks, and I look forward to hearing back from you.

Sincerely,

JJ Hermes
